Professional Experience

Intern

ISPR (July 2024 – August 2024)

- Attended expert led sessions on civil-military relations, hybrid warfare and media strategy.
- Explored ISPR's role in shaping perception and managing national narratives in regional conflict contexts.
- Interacted with professionals from defense and media backgrounds, enhancing practical understanding of Pakistan's strategic communication tools.
- Gained exposure to soft power dynamics and the use of media in international image building.

Intern

DGPR (June 2024 – August 2024)

- Worked in the electronic media section, analyzing news coverage and monitoring television broadcasts for narrative alignment with government policies.
- Assisted in preparing media briefs and reports on how state messaging was portrayed across different news channels.
- Contributed to the evaluation of media strategy effectiveness in promoting public diplomacy and national image.
- Strengthened skills in media analysis, government communication and understanding the role of state media in shaping both domestic opinion and international perception-critical in IR.
